

3M™ Scotchkote™
Liquid Coating

Construction Industry

Copon™ and Thortex™ have been rebranded to form part of the Scotchkote range of products from 3M.

3M™ Scotchkote™ Liquid Coating Systems developed for the Construction Industry are easy to use, cost effective and are suitable for a wide range of applications. Scotchkote Solutions for the Construction Industry brings the innovation of a global leader in technology to protect and maintain buildings and related assets for the long term in all operational environments.

Floor protection coating systems range from high build, abrasion resistant screeds to low build, ceramic enhanced decorative finishes, to suit all types of industries.

3M™ Scotchkote™ Liquid Roof Membranes provide a lasting barrier to water penetration, do not embrittle and are highly resistant to sunlight. They are easy to apply and complex areas are readily water resistant and weather resistant.

Whatever your needs, 3M Scotchkote provides you with the solution!

Market Applications

3M™ Scotchkote™ Liquid Coatings are used in all industrial and commercial sectors due to their quality, performance characteristics and appearance.

Food & Drink Industry

Hospitals

Leisure & Commercial Centres

Pharmaceutical Industry

Prisons

Schools & Colleges

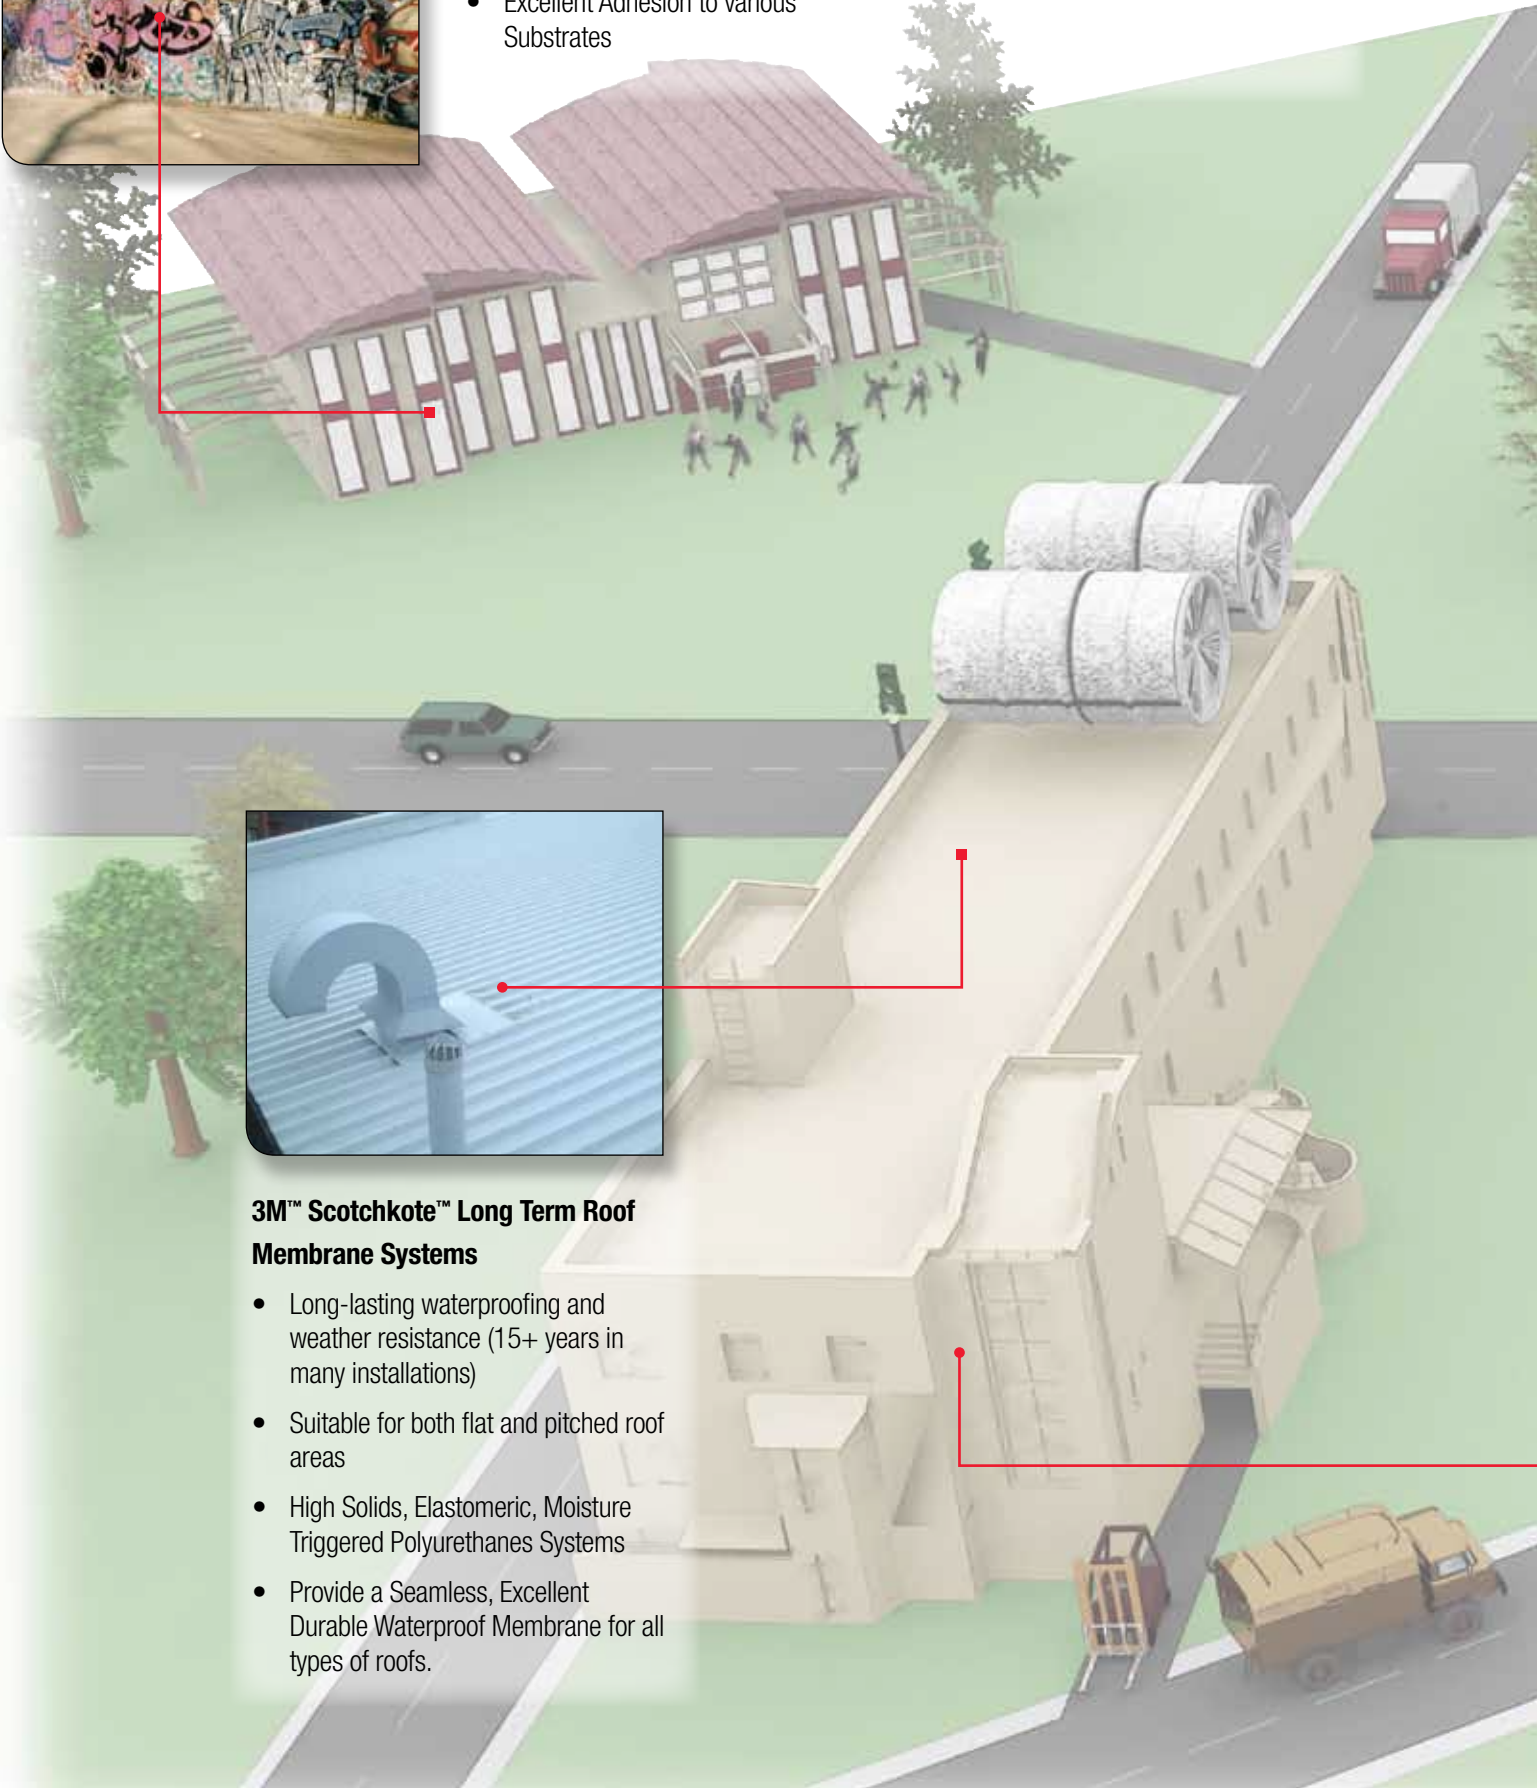

3M™ Scotchkote™ Anti-Graffiti Solutions

- Ease of Graffiti Removal
- Virtually no Shadowing or Ghosting
- Excellent Adhesion to various Substrates
- Excellent Color and Gloss Retention
- Direct Color – no need for Clear Coat

3M™ Scotchkote™ Long Term Roof Membrane Systems

- Long-lasting waterproofing and weather resistance (15+ years in many installations)
- Suitable for both flat and pitched roof areas
- High Solids, Elastomeric, Moisture Triggered Polyurethanes Systems
- Provide a Seamless, Excellent Durable Waterproof Membrane for all types of roofs.

3M™ Scotchkote™ Solutions for the Construction Industry

3M™ Scotchkote™ Impact Resistant Wall Systems

- High Build Water Based Reinforced System
- Excellent Impact Resistance
- Seamless Finish - Easy to Clean
- Easy application - by brush or roller
- Long-term protection

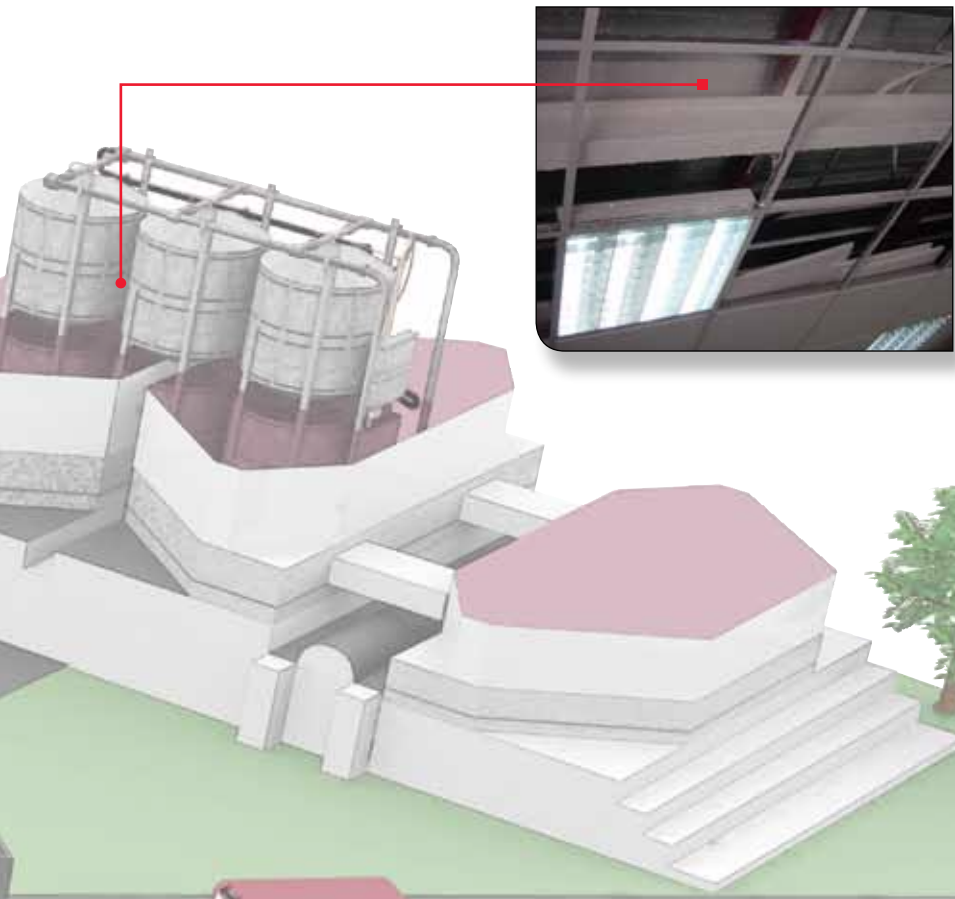

3M™ Scotchkote™ Heavy Duty Floor Systems

- Excellent Impact & Abrasion Resistance
- Resistant to a wide range of Chemicals
- Easy to clean and maintain
- Long-term protection to industrial floors even in the most aggressive environments

3M™ Scotchkote™ Decorative Floor Systems

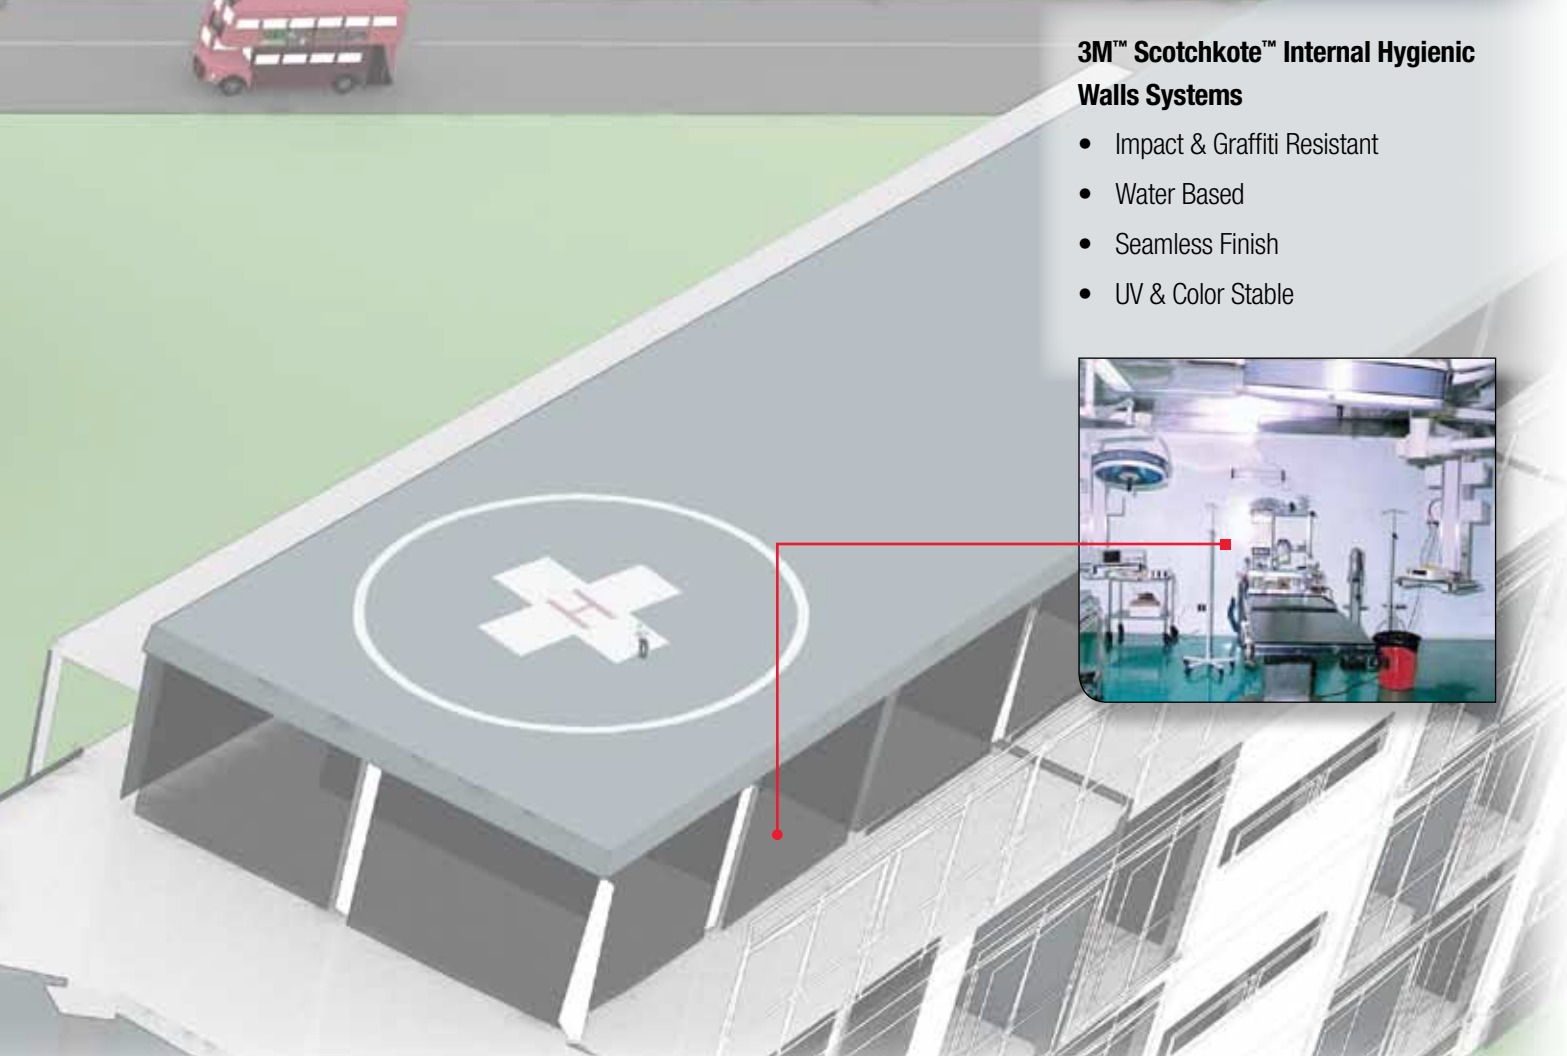

- Hygienic Systems – Steam Cleanable
- Suitable for Light to Medium traffic
- Seamless Finish
- Fast Curing – Minimum Downtime
- Large choice of colors and custom-made finishes

3M™ Scotchkote™ Fire Resistant Systems*

- Advanced Waterborne technology
- Thin Film Intumescent Fire Protection for Structural Steel Fire Protection
- Solutions for 30, 60, 90 and 120 minutes fire protection
- Tested to ASFP cellular beam protocol
- 30 years experience

* UK Approved

3M™ Scotchkote™ Internal Hygienic Walls Systems

- Impact & Graffiti Resistant
- Water Based
- Seamless Finish
- UV & Color Stable
